and the Advisory Action of 17 May 2006

Docket No.: 0093/00029

**SUMMARY**

Applicants again wish to thank Examiner MCELWAIN for courtesies extended to their representative in the phone interviews during the week of 17 September 2006. The Examiner asserted that all the claims were allowable but that claims 24-29 needed to be amended to delete the recitation of "an animal." Applicants agreed to allow the Examiner to delete "an animal," via an Examiner's amendment, from claims 24-29. Applicants respectfully retain the right to represent the subject of such amendments in a continuing application. Accordingly, the application is in condition for allowance and favorable action is solicited.
